BERLIN SHARED TOUR WTC1

\$140

Join our group tour and experience full day trip to the capital of Germany.

Board a motor coach for a 3 hour ride to Berlin. Relax and enjoy your ride through the idyllic flat lands of Northern Germany. On your arrival in Berlin, your guide will meet you and begin a comprehensive tour that features the Berlin's fascinating history and the most significant

historical sites of the last century.

Drive down the Kurfurstendam Street - the Germany's most famous shopping boulevard, view recreated Kaiser William Memorial Church; pass the Tiergarten - central park, Bellevue Palace and the Victory Column. From there take a walk to the Brandenburg Gate that once marked the former borderline between East and West Germany. Originally, this gate was built as a victory arch for triumphant Prussian army. Follow their imaginary footsteps as you walk toward the Reichstag -originally constructed to house the parliament of the newly founded German Empire.

Close to the Brandenburg Gate in the heart of Berlin, the Memorial to the Murdered Jews of Europe is also found. It is a memorial that is a stele-field which can be approached and walked through from all sides, serving as a central place for remembering and reminding people of the Holocaust.

Return to the coach. The next stop is the impressive

Potsdamer Platz. The Potsdamer Platz is the old heart of Berlin serving as a junction between the old city centre in East Berlin and what was formerly the new West Berlin. Together with Leipziger Platz, which is connected to it in the west, it lies directly in front of the former Potsdam city gate and the former customs and excise wall of Berlin.

Then you head to the former site of the SS and Gestapo Headquarters which is now a museum called the Topography of Terror. Later take a picture of the remains of the Berlin Wall. No trip would be complete without a stop at the Checkpoint Charlie - reminder of the Cold War.

Stop for lunch (not included) and enjoy authentic local cuisine. Why not to savor a glass of famous German beer?

After lunch the tour heads up to the heart of Berlin passing the beautiful 17th c. Gendarmenmarkt Square. and Schauspielhaus Concert Hall, a masterpiece of German classical architecture. Konzerthaus Berlin has a unique building history. First constructed between 1818 and

1821, it is considered one of the main works of Karl Friedrich Schinkel, perhaps the most important European Classicistic architects. Schinkel only designed the exterior of the building we see today, however- it was reconstructed in great detail between 1979 and 1984 following its destruction in the war.

Witness the Bebelplatz Square located near the oldest Humbolt University where the Nazi Party held its infamous "book burning" in 1933 and see Alexanderplatz, a beautiful town square.

Named after the Russian Czar Alexander I, who visited the capital of Prussia in 1805, "Alex" became a traffic

hub when a train station was established there in 1882.

Later if time permits, the tour may proceed to the UNESCO World Heritage Museums Island and/or the former Jewish Quarter. At your disposal is also free time for shopping at the largest department store in Europe - KaDeWe before you rejoin your motor coach for your way back to the ship.
